

CORONAVIRUS COVID - 19

March 23rd, 2020

We are still here for you!

Healthy authority classifies muva kempten GmbH as a systemically important company

Dear customers,

muva kempten GmbH has opened as usual. All departments are fully operational and efficient and if required we can also take over the sampling for you. If bottlenecks should arise in your laboratory areas, we can support you gladly.

Please contact us if you have any problems - together we will find solutions. You can reach us via hotline: phone +49 (0) 831-5290-290 as well as our sales representatives as usual by phone or e-mail.

In case of changes in the situation we will keep you informed via our homepage www.muva.com

Stay healthy.
Your muva kempten GmbH
Reliable partner in the crisis

Our opening hours:

Monday-Friday: 07.00 - 17.00 p.m.
Saturday: by arrangement

Delivery outside business hours:

You can also deliver samples to us outside our business hours. We provide you with a refrigerated and temperature-controlled locker system for this purpose. The lockers can only be opened with an individual code, which you can request by calling +49 (0)831 5290-223.

Emergency number 24 hours/7 days:

In case of emergency, we are available 24 hours a day. You can obtain our emergency number by calling 0831 5290-0.
